GRASS VALLEY'S BIG A ROOT BEER DRIVE-IN

"Best Burgers and Fries in Town"

BIG A has been a popular place to enjoy lunch and dinner 7 days a week, emphasizing high quality and fresh ingredients prepared with old time care.

Although Big A is known for some amazing gourmet burgers, they specialize in making the 1/4 lb and 1/3 lb deluxe burgers as classic 60's & 70's as can be--with toasted sesame seed buns, ripe fresh produce, house-made thousand, and Big A's blend of seasonings. They even make the majority of their dressings and sauces fresh daily.

For lunch or dinner, in addition to burgers and fries, BIG A serves sandwiches, Millers hot dogs, crazy good salads, fish and chips, ahi tuna burgers, county fair corn dogs and more.

BIG A has been offering Durham Ranch 100% Natural Beef for over a year. Natural beef patties can be substituted for on any of the award winning burgers on the menu.

Don't forget about the "Call Ahead" service if you are in a hurry...just call in your order for lunch or dinner and pick up at the phone order register so you don't have to wait. It's as easy as that! You can also enjoy your meal in your car. Just pull up, order and it will be brought right to your window.

And don't forget to have a Root Beer Float

Draft Homemade Root Beer and Crystal Dairy Vanilla Ice Cream served in a frosted glass mug. All milk shakes are hand blended and made from real ice cream NOT from a soft serve dispenser.
